Deborah Hauser is the author of *Ennui: From the Diagnostic and Statistical Field Guide of Feminine Disorders* from Finishing Line Press and is a contributing editor at *The Found Poetry Review*. Her work has recently appeared in *Carve Magazine, HEArt Journal Online*, and *Antiphon*. She leads a double life in New York; she works in the insurance industry when she isn’t writing poetry.
HOW MUCH COMPRESSION?

In “Can Poetry Matter?” Dana Gioia asks:

Q. How much compression is needed to transform versified lines into genuine poetry?

how much compression is needed to transform versified lines into genuine poetry?

so much depends upon the compression of versified lines into genuine poetry

how much compression?
is needed to
transform

versified lines into
poetry?

A. just this much.
